

# 2115TiMAX 3/8" Air Impactool™

# Maximum Impact

**Titanium hammer case** is lightweight with unparalleled durability

The new 2115TiMAX delivers best in class performance for a tool less than six inches long and weighing less than two and a half pounds. The minimal size of this tool will allow greater access to tight spaces, while the minimal weight will reduce operator fatigue...all while still delivering MAX performance.

## MAX Power

**300 ft-lbs** max power in reverse – that's best in class power performance

## MAX Control

**Enhanced power settings**, a feather touch trigger and patented push button forward/reverse provide maximum control

## MAX Reliability

**FREE two-year limited warranty** with tool registration
